This is not a cutting out sale, as most sales are, but a *clearing out* sale of some of the choicest and most select lot of brood mares and colts ever offered at auction in California. Every mare of the To Kalon Stock Farm has been selected after carefully testing their merits; they are all mares of fine individuality, free from blemishes and all possess natural speed at either trot or pace while pedigree has been considered, the *prime quality* sought was *sturdy and endurance*. A number of these colts and some of the aged horses are entered in rich stakes and purses, and if they go in to trained hands they are sure to be *money winners*. Trainers who are looking for fast Trotters and Pacers should not fail to attend this sale. You can take morning train for Napa, attend the sale and return the same evening. Train stops at Fair grounds. For further information send for catalogue.
